

Practice for Sale:

A boutique-style, street-level dental clinic located in a prestigious downtown Vancouver neighborhood is now available for purchase. This 18 year old, well established, profitable practice with a focus on fixed prosthetic, restorative, and implant dentistry and boasts a comprehensive hygiene program. With low overhead costs, it's perfectly suited for a solo practitioner. The practice is equipped with Sirona chairs, digital x-ray sensors, an intra-oral scanner, paperless charting, and a panoramic x-ray. The strata unit is also available for purchase, offering flexibility for office expansion or live/work options. Achieving a production of \$725K+ on a 4.5 day work week, this opportunity is priced at \$995K.
