

Paediatric Dental Position Posting

Certified Paediatric Dentist

Trillium Health Partners – Surgery Program

Trillium Health Partners (THP) is the largest community based academic health network in Ontario, serving over one million residents in the communities of Mississauga, Peel Region and West Toronto. The hospital encompasses three main sites – Credit Valley Hospital (CVH), Mississauga Hospital (MH), and Queensway Health Centre (QHC) – offering a full range of acute care hospital services, as well as a variety of community-based specialized programs including the Peel Regional Cancer Centre.

Trillium Health Partners' Surgery Program is seeking a Certified Paediatric Dentist to be a member of our Division of Dentistry and Oral/Maxillofacial Surgery. Qualifications include Royal College of Dental Surgeons of Ontario (RCDSO) paediatric dentist registration, Royal College of Dentists of Canada (RCDC) fellowship certification, and American Board of Pediatric Dentistry (ABPD) board certification. In this role the dentist would join a dedicated team of fellow dentists and Oral/Maxillofacial surgeons and work closely with the interprofessional team to support patient/family centered care. The individual will be expected to participate in the Division of Dentistry and Oral/Maxillofacial Surgery's on-call schedule. It is expected that the candidate would provide a paediatric dental office-based care and whose office would serve the residents of our community.

The organization is an affiliated academic teaching centre with the University of Toronto. The preferred candidate would be expected to participate in teaching of undergraduate and postgraduate medical learners, participate in quality improvement initiatives and clinical and applied research work. Excellent interpersonal and leadership skills and a commitment to an inter-professional care model are also essential.

The position represents an opportunity to join a group of dedicated healthcare professionals in a progressive organization. The successful candidate will be licensed in good standing in Ontario or eligible for a license to practice in Ontario. THP is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups and others who may contribute to further diversification of ideas.

Interested candidates are requested to reply with a letter of interest, curriculum vitae and the names and contact of three referees no later than **October 31, 2024** to:
