

Endodontist Partnership Opportunity – Calgary, AB

Westside Endodontics is an established endodontic practice with a large referral base that utilizes modern technology and is fee for service.

We are equipped with ceiling mounted microscopes, digital radiography, a paperless workflow and are dedicated to comprehensive endodontic care including endodontic retreatment and surgery, including bone grafting procedures.

We offer competitive remuneration in a collaborative environment working alongside experienced assistants that truly enjoy being part of the team-based approach as Westside.

Come join our team and enjoy the world class skiing, mountain climbing and hiking only one hour from Calgary. If you love nature and the outdoors Calgary is for you.

Requirements: eligible for Alberta Dental Licensing.

Please contact Dr. Shannon Davis for further information at sdavis@wsendodontics.com.
